### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. J. Beckstad on March 9, 2005.

26.(Currently Amended) A goods-wrapping apparatus for wrapping a particular article of a plurality of different sized articles, comprising:

a goods storing section operable to store said plurality of different sized articles;

means for selecting a particular article according to an article user instruction and for sensing the size of said selected article;

a goods carrying section operable to carry said articles into said goods storing section and carry said particular article out from said goods storing section;

a printer operable to print a printing content associated with said particular article onto a printing medium based on said particular article, means for storing different sized said printing medium printing media comprising [[a]]shopping bags;

a bag size determination section for determining a size of said shopping bag among various sizes based on said particular article's size; and

a wrapping section operable to wrap said particular article using said printing medium; ~~wherein~~

~~said particular article is selected according to a user instruction.~~

In the preliminary amendment to the specification of July 7, 2003, in line 2 of the insert, after '2000', the phrase --now US patent 6,615,714-- has been inserted.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
